This matter comes before the Public Service Commission of South Carolina ("the Commission") on the request of DNS Communications, Inc., ("DNS") to withdraw its Application filed on or about August 31, 1995. The Applicant proposed in its Application to offer resold outbound direct dialed (1+), inbound "800" and travel card services. On October 19, 1995, DNS filed a request to withdraw its Application.

The Commission has examined this matter and believes that, since DNS no longer wishes to apply for reseller authority, the relief requested should be granted.

IT IS THEREFORE ORDERED THAT:

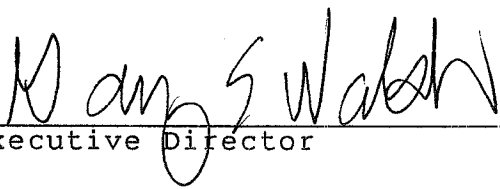

1. The request of DNS to withdraw its Application is hereby granted.
2. This docket shall be closed.

3. This Order shall remain in full force and effect until further order of the Commission.
